Section 2: Probationary Period: There shall be a probationary period of ninety (90) work days of employment for newly hired employees. ARTICLE 3 DEDUCTIONS

1
2
3 **Section 1:** Upon presentation of written authorization by an employee, the District agrees to
4 deduct from each Association member so authorized the appropriate dues as certified to the
5 employer by the Treasurer of the Association, and forward the same to the Association
6 Treasurer. Said deduction is to be made each pay period. However, if any employee has no
7 check coming to him/her or the check is not large enough to satisfy the assignment, then and in
8 that event only, no collection will be made from said employee for that pay period. However,
9 the full dues shall be deducted during the course of the school year. The Association shall save
10 the Board harmless from any disputes as a result of dues deduction.
11

12 **Section 2:** Each employee who, on July 1, is a member of the Union, and each employee who
13 becomes a member after that date shall continue his/her membership in the Union during the
14 duration of this agreement; provided, however, that an employee may, at his/her discretion and in
15 writing withdraw his/her membership from the Union within ten (10) calendar days of July 1 of
16 the contract thereafter. The Association shall be notified within the time limits specified above.
17

18 **Section 3:** Assistants leaving the district during the school year will have any outstanding dues
19 balance deducted from their last paycheck, providing said check has sufficient funds.
20

21 **Section 4:** The District agrees to deduct from the employees authorized monies to be transferred
22 to annuity companies, insurance companies, credit unions, banks, and charitable organizations
23 such as the United Fund, in accordance with the Salem School District Policy. If any employee
24 has no check coming to him/her or the check is not large enough to satisfy the authorized

26 District, in addition to any monies deducted, to satisfy the authorized transfers.
27

1 ARTICLE 10 VACATIONS, HOLIDAYS, AND LEAVES

2
3 **Section 1 - Vacation:**

4 Employees working 25 or more hours per week, paid for 170 work days during the school year,
5 and who have completed 2 years of service shall be entitled to 7 days of vacation pay.
6 Employees working 25 or more hours per week, paid for 170 work days during the school year,
7 and who have completed 10 years of service will receive 10 days of vacation pay. Vacation pay
8 will be paid in the pay period following the last scheduled work day of the school year.
9 However, if school is closed due to unforeseen circumstances or inclement weather, eligible
10 employees will be paid a vacation day for each day closed up to a maximum of three days. The
11 balance of the vacation days will be paid in the pay period following the last scheduled work day
12 of the school year. Employees are ineligible for time off for vacation during the school year.
13 Employees must be employed by the District for the entire school year to be eligible for vacation
14 pay for that year. Employees who are assigned to a long-term substitute position for a classroom
15 teacher shall not be listed as on a leave of absence. If vacation is paid during the year and an
16 employee does not work the required 170 days, then the vacation day(s) paid during the year will
17 be deducted from the final pay.

18
19 Employees working less than 25 hours per week shall not be entitled to vacation.
20

21 **Section 2 – Leave Days:**

22 The school board recognizes that circumstances may require the absence of the employee from
23 work during the school year. Each employee will be credited with 1 day on the first day of the
24 work year and 0.6 days per month on the first day of each month from September through June
25 (total of 7 days per school year) of leave for absences for these circumstances. For employees
26 working 25 or more hours per week, this leave is cumulative up to 41 days. For employees
27 working less than 25 hours per week, this leave is not cumulative. Parties recognize that leave as
28 described in this Article does not encompass an absence which is more appropriately
29 characterized as vacation. Except in the case of illness, the employee will be required to submit
30 the request for leave in writing to the building administrator 48 hours in advance of the time
31 when such leave will be taken. In the case of illness, employees will endeavor to notify the
32 building administrator or designee in advance of their scheduled work hours.

33
34 For employees working 25 or more hours per week and for employees working less than 25
35 hours per week, the district will pay a stipend in the amount of \$250.00 at the end of the school
36 year to each employee who has maintained perfect attendance for that school year. The district
37 will pay a stipend in the amount of \$125.00 at the end of the school year to each employee who
38 has taken only (1) leave day for that school year. Bereavement days and association days are not
39 counted toward year-end totals.
40

41 **Section 3 – Holidays:**

42 Employees working 25 or more hours per week will receive the following nine (9) paid holidays,
43 provided the employee works the day before or the day after the holiday: Labor Day, Columbus
44 Day, Veteran’s Day, Thanksgiving Day, day after Thanksgiving, Christmas, New Year’s Day,
45 Civil Rights Day, and Memorial Day.
46

1 For the purposes of this section only, an employee shall be considered to have “work(ed)” the
2 day before or the day after the holiday, if said employee is on a granted bereavement leave for
3 such day. In the event that school begins after Labor Day, the requirement to work the day prior
4 to Labor Day will be waived.

5
6 Employees working less than 25 hours per week shall not be entitled to holidays.

7
8 **Section 4 – Bereavement:**

9 Employees working 25 or more hours per week and employees working less than 25 hours per
10 week shall be granted a Bereavement Leave of up to five (5) consecutive days (weekends
11 excluded) in the event of a death for the following relations: Child, Spouse, Sister, Brother,
12 Father/Stepfather, Mother/Stepmother, Father-in-law, Mother-in-law, Son-in-law, Daughter-in-
13 law, Brother-in-law, Sister-in-law, Grandparents, Grandchildren, Aunt and Uncle. Also included
14 are relatives, significant other, or ward residing in the same household. If any of these days off
15 are employees’ scheduled working days, the employee shall suffer no loss in pay.

16
17 **Section 5 – Jury Duty:**

18 Any employee summoned for jury duty shall be paid his/her full salary for each working day of
19 absence provided he/she pays the District the jury fee(s).

ARTICLE 11 UNPAID LEAVES

An unpaid leave may be requested by an employee to care for; the employee's child upon birth, care for the employee's child upon adoption or foster care; an employee's parent, spouse, or child with a serious health condition; or, when an employee is unable to work because of a serious health condition;

Family Medical Leave Act (FMLA) provides eligible employees with up to twelve weeks in any twelve month period of unpaid, job-protected leave for the above mentioned reasons. The District and Employee shall follow the guidelines of the Family Medical Leave Act of 1993.

For purposes of this Article, "eligible " is defined as an employee working 1070 or more hours per year, and has been employed by the District for the twelve months prior to the request for leave.

All requests for unpaid leave shall be submitted to the Superintendent for approval. Requests for leave for the above purposes by employees not eligible for FMLA leave and requests for leave for any other purpose shall be granted at the discretion of the Superintendent.

4 covered by this Agreement that there has been an alleged violation, misrepresentation or
5 misapplication with respect to one or more provisions of this Agreement.
6

7 **Section 2:** An “aggrieved person” is the person making the complaint.
8

9 **Section 3:** The parties recognize the most desirable way to resolve a problem, is to do so
10 informally. The employee making the claim may request the assistance of any of their superiors
11 to reach an informal resolution of the grievance without representation of the Association.
12 Failing to satisfy their grievance, or if they choose not to follow the informal route, the grievance
13 shall be reduced to writing on the Grievance Form, Appendix A, of this Agreement. The
14 grievance must be reduced to writing within fifteen (15) working days of its occurrence or of the
15 time employee should have known of its occurrence. In the event the building principal is absent
16 from work for ten (10) consecutive days, the grievant may request that the Superintendent
17 appoint another administrator to process the grievance through Step 1 of the grievance
18 procedure.
19

20 **Section 4:** Once a grievance is reduced to writing, the following procedures will be in effect.
21 The number of days indicated at each step should be considered maximum. The time limits may
22 be extended by mutual agreement.

29 assign a central office administrator to meet with the grievant and their representatives. The
30 administrator shall review the information considered to be relevant and respond in writing
31 within seven (7) working days of receipt of the grievance. If the employee is not satisfied with
32 the response, or if no response is received, and with approval of the Association, they may within
33 ten (10) working days, proceed to:
34

35 **STEP 3** On request, the Board shall review the grievance and shall hold a meeting with the
36 grievant. Within twenty (20) days of the receipt of the appeal, the Board shall render a decision
37 in writing. If the employee is not satisfied with the response, or if no response is received, and
38 with approval of the Association, they may within ten (10) working days, proceed to:
39

40 **STEP 4** Arbitration by and under the rules of the American Arbitration Association. The
41 Association shall advise the Board in writing of the decision for arbitration.

- 42 a) The decision of the arbitrator shall be advisory only.
43 b) The arbitrator shall submit a report to the grievant, the Association, and the Board
44 within (30) days of completion of the hearings.
45 c) The cost of the advisory arbitration shall be borne equally by the Board and the
46 Association.

1 d) Neither the Board nor the Association will be permitted to assert any ground or
2 evidence before the arbitrator which was not previously disclosed to the other party.
3

4 **Section 5:** Failure at any level of this procedure to communicate the decision on a grievance
5 within the specified time limits shall permit the grievant to proceed to the next level. Failure at
6 any level of this procedure to appeal a grievance to the next level within the specified time limits
7 shall be deemed to be a waiver of further appeal of the decision and acceptance of the decision
8 rendered at that level.
9

10 **Section 6:** A grievance may be withdrawn by the grievant at any time.
11

12 **Section 7:** When a grievance is reduced to writing, an aggrieved person may be represented at
13 all stages of the grievance procedure by the Association; however, the grievant must be
14 "present". If it is physically impossible for the grievant to be present, the grievant will be
15 provided with an extension not to exceed seven (7) calendar days. This timeline may be
16 extended upon mutual agreement.
17

18 **Section 8:** All documents, communications and records concerning a grievance shall be filed
19 separately, and not in a personnel file of the employee.
20

21 **Section 9:** The Board and the Association shall assume that the parties of interest and witnesses
22 are guaranteed freedom from restraint, interference, coercion, discrimination or reprisal.
